

FOOD SAFETY POLICY

Simply Foods Limited, the leader in food industry, is committed to provision of high quality, safe instant porridge flour and similar products by consistently satisfying and surpassing our customers' requirements.

Simply Foods Limited shall achieve this through adoption of a food safety culture in line with the food safety management systems while observing strict adherence and compliance to all statutory and regulatory requirements.

In pursuit of this policy, all the relevant departments and functions shall develop food safety objectives that will be subjected to monitoring and verification at regular intervals, hence ensuring continual improvement of the food safety management system. This policy provides the basis for working in a systematic manner through formalised procedures and processes to ensure food safety at all times.

We shall ensure that this policy is communicated to all interested parties and applied at all levels within the organization. This food safety policy shall be available for reference, awareness and training to all interested parties.

The Top Management shall ensure continuous review of this policy when changes to the Food Safety Management Systems occur.
